## Road Safety Week 2008

Monday 10 to Friday 16 November is Road Safety Week. The theme for this year is Family Safety: Stop. Imagine. Change.

Parents, Carers, Drivers - everyone is being encouraged to stop and imagine how horrendous it would be to lose a loved one in a road crash, or cause a fatal crash, take a long hard look at their behaviour on roads, and change their behaviour for the better.

We can all make a commitment to improve our behaviour, whether that means taking more time to look twice at junctions, or committing to not ever overtaking unless it is totally safe, or simply always holding our children's hands.
