**Another busy week!**

On Wednesday 22nd June we will have some very special visitors in school for the morning! 'The Pet Shop' will be bringing along a weird and wonderful selection of reptiles and spiders so our children can experience exotic animals first hand. I'm sure everyone will have a brilliant time and will learn a great deal.

Watch this space for photos!

Thank you to those of you who have made donations to school in support of this year's **Enterprise Fortnight!** Also a great big thank you to everyone who has helped and have promised to help out at this evenings **Flower Power Festival. YOU'RE GREAT!**

I'm really impressed by what's been going on in class over the past two weeks! The staff and children have been working really hard to design and create wonderful 1960's crafts which will be on sale at tonight's Flower Power Festival.

We all really hope those of you who are coming along really enjoy the event that we've all (including the PTA) worked really hard to plan and organise! Please remember to bring your tickets as without them you may not be admitted.

Class 1 and 4 ( and their staff!) had a fantastic day out at Knowsley Safari Park on Wednesday. All the children (and staff!!) were well behaved and a credit to the school! There will be some photographs of their adventure appearing on the screen in the Information Station soon!

The trail is about a mile long and will take about an hour or so to walk, a great experience for all the family this weekend if you have the chance. Take your wellies and a picnic and make a day of it!
